

KEEP KIDS HEALTHY WITH ROUTINE VACCINES

GET VACCINATED

Receiving vaccines on time according to the Centers for Disease Control and Prevention Recommended Schedule is the best way to safely protect children from harmful diseases.

CATCH UP ON MISSED VACCINES

If your child missed a vaccine, talk to your health care provider to get caught up and give your child and others the best protection.

KEEP TRACK OF CHILDHOOD IMMUNIZATIONS

Access your records on the New Jersey Immunization Information System (NJiIS) or through the Docket® mobile phone app. To get started, visit njiis.nj.gov/docs/NJiIS_Your_Best_Shot.pdf or download the free Docket app on the [App Store](#) or [Google Play](#).

VACCINES ARE:

- Safe and effective.
- Available free or low-cost for eligible individuals through the Vaccines for Children program. Scan the QR code for more information.
