RE: **Summary Suspension**  
Maimouna Diarra  
Certification # NA 8670696

Enclosed is an Order of Summary Suspension, issued under authority of N.J.A.C. 8:39-43.5(b). Specifically, it is alleged that on June 25, 2020, you abused, neglected and mistreated a long-term care resident at Abingdon Care and Rehabilitation Center, in Greenbrook, New Jersey. Specifically, it is alleged that an investigation resulted in evidence establishing that you aggressively and roughly grabbed a resident to pull her up out of a chair, you grabbed the resident's hand to bend it backwards, and you pulled the resident's hair and yelled "I'm going to hurt you!" Additionally, facility staff had to wedge themselves between you and the resident to prevent you from further abusing the resident. Your abuse and mistreatment of the resident resulted in causing pain and the resident being frightened by your actions.

As of your receipt of this Order, your nurse aide certification is no longer valid. You have thirty (30) days from the date you receive this notice to appeal this summary suspension to the Commissioner of the Department of Health, as set forth in the enclosed Order. Please review the Order carefully. Failure to submit a timely written request for emergency relief within 30 days from the date of receipt of this Order shall be considered an acceptance of this Department's decision to summarily suspend your nurse aide certification pending completion of the investigation, thereby forfeiting all rights to emergency relief. In addition, even if you do appeal, your certification will remain suspended pending the issuance of a final agency decision, and therefore you cannot work as a certified nurse aide.

Should you have any questions regarding this Order, please contact Lisa King in the Office of Program Compliance at (609) 376-7890.

Sincerely,

---
