HEALTH

THE COMMISSIONER

Notice of Postponement of Certificate of Need Call for New General Hospitals

Take notice that, in compliance with N.J.S.A. 26:2H-1 et seq., Judith M. Persichilli, R.N., B.S.N., M.A., Commissioner, New Jersey Department of Health (Department), hereby publishes notice that the April 1, 2021, call for certificate of need (CN) applications for new general hospitals in accordance with the provisions at N.J.S.A. 26:2H-1 et seq., and N.J.A.C. 8:43G, is hereby postponed. In accordance with departmental procedures as set forth at N.J.A.C. 8:33-4.1(a), the Department will be unable to provide sufficient advance notice to potential certificate of need applicants and interested parties to either prepare their respective certificate of need applications for new general hospitals or respond to such applications. The Department is in the process of gathering and evaluating data to determine whether there is currently a need for new general hospitals. Accordingly, it is necessary to delay the call for new general hospitals to allow the Department sufficient time to complete its evaluation of need and to provide potential applicants and affected parties sufficient time to respond appropriately to a certificate of need call notice in the event the Department determines that a call is appropriate. If the Department proceeds with the call, then a call for new general hospitals will be published in a future issue of the New Jersey Register, providing the necessary time for both potential applicants and interested parties to respond to the call notice. Alternatively, if the determination is made to cancel the call, the Department will publish a cancellation notice in the New Jersey Register.
