VII. Ongoing Business

VIII. New Business

Phil Brilliant: At several recent Board meetings members of the public have inquired during the public comment period if the Board will take a position or action regarding the ongoing discussions between the public and NJDEP on Independent Professional Judgment and the Remedial Process Improvement

Initiative. Though I have attended the initial meeting, along with Chairman Stofa, and plan to attend the June 8th meeting, I have asked the Chairman if I could pose the question to the Board and gauge the interest in a “Board Task Force regarding the CSRR remedial improvement process initiative and the concerns raised regarding LSRPs’ Independent Professional Judgment.” The potential task force would continue to monitor the meetings and discussions between all the parties, but also review the same to determine the impact on the conduct and submissions of an LSRP and evaluate any necessary actions of the Board.

IX. Cancel next Board Meeting – June 20, 2023

X. Next Board Meeting
