Dear Residents, Staff Members, Families and Powers of Attorney,

The following is an update regarding mold abatement progress and prevention efforts at the New Jersey Veterans Memorial Home at Menlo Park.

I am pleased to inform you that all work is complete in the Freedom Wing and the newly finished rooms are ready for residents. Our staff has been reaching out to residents, family members and those designated by powers of attorney to discuss resident preferences and timelines.

Active Environmental Technologies, Inc. continues to work on drywall installation, fixture, and trim-work tasks within rooms of the Eagle, Old Glory and Stars and Stripes wings this week. Environmental Technologies, Inc, continues to monitor progress throughout the home through inspections and consultant work.

Please contact me at lisa.kranis@dmava.nj.gov to share any additional questions or concerns. If you have concerns, please provide us with specific details, such as room numbers, so that we can look into the matter.

Regards,
