Dear Residents, Staff Members, Families and Powers of Attorney,

The following is an update regarding mold abatement progress and prevention efforts at the New Jersey Veterans Memorial Home at Menlo Park.

Active Environmental Technologies, Inc. continued abatement treatment and repairs within the Eagle, Old Glory and Stars and Stripes wings. We have painted all but one set of rooms in Old Glory, all but one room in Eagle and completed painting and touch ups in Freedom. Our facility maintenance team continues to perform fixture work, bathroom preparation and room finishing in Freedom Wing.

Please contact me at [lisa.kranis@dmava.nj.gov](mailto:lisa.kranis@dmava.nj.gov) to share any additional questions or concerns. If you have concerns, please provide us with specific details, such as room numbers, so that we can look into the matter.

Regards,
