Dear Residents, Staff Members, Families and Powers of Attorney,

The following is an update regarding mold abatement progress and prevention efforts at the New Jersey Veterans Memorial Home at Menlo Park.

Active Environmental Technologies, Inc. continued work within the Eagle Wing, and replaced drywall in four rooms within the Liberty Wing.

NJ DMAVA is refining a scope of work and contracting documents for any future repairs to studs and plumbing inside the walls, the replacement of drywall, the fresh paint and post-work site cleaning.

Please contact me at [lisa.kranis@dmava.nj.gov](mailto:lisa.kranis@dmava.nj.gov) to share any additional questions or concerns. If you have concerns, please provide us with specific details, such as room numbers, so that we can look into the matter.

Regards,
