Dear Residents, Staff Members, Families and Powers of Attorney,

The following is an update regarding mold abatement progress and prevention efforts at the New Jersey Veterans Memorial Home at Menlo Park.

Active Environmental Technologies, Inc. continued abatement treatment and repairs within the Freedom, Independence, and Stars and Stripes wings.

In addition, painting has begun in the Liberty Wing, and this work will be followed by the re-mounting of toilets in the respective bathrooms.

Please contact me at lisa.kranis@dmava.nj.gov to share any additional questions or concerns. If you have concerns, please provide us with specific details, such as room numbers, so that we can look into the matter.

Regards,
