Dear Residents, Staff Members, Families and Powers of Attorney,

The following is an update regarding mold abatement progress and prevention efforts at the New Jersey Veterans Memorial Home at Menlo Park.

Active Environmental Technologies, Inc. hung drywall within rooms of the Eagle and Liberty wings and conducted additional repairs within the Eagle wing. Abatement and repair work continues in the Independence, Freedom, and Stars and Stripes wings.

Please contact me at lisa.kranis@dmava.nj.gov to share any additional questions or concerns. If you have concerns, please provide us with specific details, such as room numbers, so that we can look into the matter.

Regards,
