Dear Residents, Staff Members, Families and Powers of Attorney,

The following is an update regarding mold abatement progress and prevention efforts at the New Jersey Veterans Memorial Home at Menlo Park.

Trim and bathroom fixture work continue in the Liberty Wing. As final fixture work is completed, rooms are then turned over to facility maintenance and cleaning.

Active Environmental Technologies, Inc. continued abatement treatment and repairs within the Freedom, Independence, and Stars and Stripes wings. Drywall was hung in rooms 601 and 603 in the Old Glory Wing.

Please contact me at [lisa.kranis@dmava.nj.gov](mailto:lisa.kranis@dmava.nj.gov) to share any additional questions or concerns. If you have concerns, please provide us with specific details, such as room numbers, so that we can look into the matter.

Regards,
