

LEGISLATURE
OVERVIEW

New Jersey's Legislature is comprised of 40 Senators and 80 Assemblypersons. All members were elected in November, 1993. Senators were elected for a term of four years. Assemblypersons were elected for a term of two years. The recommendations for fiscal year 1995 represent a basic continuation budget.

The Office of Legislative Services which provides nonpartisan legal, fiscal, and research services for the Legislature is also recommended for continuation funding. This office is responsible for the printing of every legislative bill, joint resolution, and concurrent resolution and any amendments.

There are several legislative commissions in the Legislative Branch which provide in-depth studies, hold public hearings, and make recommendations for legislative action on select issues as they arise. The recommendations for fiscal year 1995 provide continuation funding for the seven commissions described below.

The Intergovernmental Relations Commission provides funding which permits the State of New Jersey to participate as a member of national and regional organizations.

The Joint Committee On Public Schools provides an ongoing study of the system of free public schools—its financing, administration, and operations.

The State Commission of Investigation probes organized crime and improprieties in the conduct of public-funded programs.

The Commission to Study Sex Discrimination in the Statutes studies statutes and decisions of the courts in this state in relation to sex-based classifications.

The Commission on Business Efficiency in the Public Schools studies and recommends improvements which will result in greater efficiency in the operation of public schools.

The New Jersey Law Revision Commission promotes and encourages the clarification and simplification of New Jersey laws.

The State Capitol Joint Management Commission insures the artistic, historical and architectural integrity of any restoration or preservation project at the State House, the State House Annex, and the adjacent environs.
